Report On Dry Ration Kits Distribution

Jai BhimVikas Shikshan Sansthan

Contents –

The entire India was locked down due to Corona virus. The lock down in India was a nightmare for those daily wage laborers, street, poor and destitute families. With no means of wages and income, his life was filled with economic difficulties. In such a situation, it became difficult for the family to get food. Daily wage labourers, poor, destitute, old and widowed women suffered financially and socially.

In these circumstances, JBVSS and IProbono surveyed such people and arrangements were made to give them ration. Ration is being distributed to these daily laborers, destitute, old and widowed women and poor families. Ration distribution has given financial strength to these families. Ration distribution has brought hope in his life where family's nutrition was not being arranged.
